

THE PRESBYTERY.

Meeting This Morning at the Presbyterian Church.

The Central Texas Presbytery met at 9 o'clock this morning and was opened with devotional exercises conducted by Rev. H. M. Sydenstricker.

The minutes of Saturday's session were read, corrected and adopted. Rev. J. P. Robertson, chairman of the committee on Daniel Baker college, made the following report: Your committee to whom was referred the request from the trustees of Daniel Baker college for advice, would respectfully submit the following as our opinion of the case:

1. The trustees should enter a contract for five years with Rev. B. T. McClelland, the president, requiring him to provide remuneration for himself and his associates from the tuition and other sources that may be at his command, and clearing the trustees of financial responsibility for the support of the college during that time. But to assist him in furthering this plan into successful operation the sum of \$450 should be paid to him the first year.

2. The president should during this time be permitted to select his own assistants, but the choice of such assistants should be subject to the approval of the trustees.

The report was made the order of the day for 11 a. m.

The sessional records of Corsicana, Gatesville, Marlin, Midway and Kosse churches were approved. The offer of the editor of the Central Presbyterian to publish the minutes of this meeting, was accepted.

The sessional records of Hico, Nazareth and Lingleville churches were approved with exception.

The sessional records of Temple church were read.

A request was received from Oak Island church that the church be dissolved and the members transferred to Mexia church.

On motion Rev. S. A. King, Rev. R. E. Hardin and Elder J. E. Ross were appointed a commission to investigate the Oak Island church and report at the fall meeting of presbytery.

Mexia church was granted permission to employ Rev. R. E. Hardin for three-fourths of his time.

Kosse church was granted permission to employ Rev. R. E. Hardin for one-fourth of his time.

The report of the committee on foreign missions was read by Rev. R. E. Hardin, as follows:

1. We are thankful to note that the contributions this year amount \$857.70, an increase of \$245 over last year.

2. We would urge again on the churches to undertake the support of partial support of some missionary in the foreign field.

3. We have one young lady who has offered to go as a foreign missionary.

4. We earnestly urge the pastors of all the churches to do all they can to aid in the circulation of that excellent magazine of our church, "The Missionary."

On motion of Rev. R. K. Smoot, the second paragraph of the report was stricken out and the report was adopted.

The hour for the discussion of the report of Daniel Baker College having arrived, the report was read and discussed at length. The report comes in the form of advice to the members of the college, at their own request.

Found, a Baby.

About 5 o'clock this morning inmates of the Children's Nursery at North Fort street were roused by the cries of a child on the outside. On going out a small baby, apparently not more than three weeks old and well dressed was found lying on the back steps of the nursery, where it had doubtless been placed during the night by some person.

It is a bright infant and is being cared for at the nursery.

You ask the doctor

Most women feel the need of something that will tone up the system and put new life into a tired body—stop that constant headache and feeling of nervousness. In almost every case the doctor will prescribe iron in some form, but iron is hard to take, discolors the teeth (no woman likes that) and induces constipation and other ill-effects. However, there is one iron medicine—only one—known as

Brown's Iron Bitters

which is easy to take, palatable and pleasant. It is harmless and the most reliable iron medicine known. A bottle of this famous remedy will work wonders. It will fill out those thin cheeks, put energy into you, give you a new lease of life and *won't stain the teeth*. Thousands of testimonials prove these statements. The dose is small and the benefit great. Its good for all the family. Try it.

There are many fraudulent substitutes to be avoided. The genuine has two crossed red lines on wrapper.

Weak, Nervous, Dizzy Spells

Hood's Sarsaparilla Perfectly Cured.

"C. L. Hood & Co., Lowell, Mass."

"I had been in poor health for a long time. For years my appetite was very poor. Supper was my best meal, but even then I could not sleep nights and I had to walk the floor a great deal at night. I was very nervous and had frequent dizzy spells and headaches. I suffered with pains in my bowels."

I Did Not Think I Could Live

three months when I decided to try Hood's Sarsaparilla for my blood. Before I had used one bottle I began to feel better and my appetite improved. I was troubled with constipation, so I got a box of Hood's Vegetable Pills. Soon I passed a knotted tape worm 25 feet long. At once the pains in my bowels ceased and though very weak, I began to pick up in appetite and strength. I am no longer troubled with headache or dizzy spells, and sleep soundly. I am perfectly well and work hard each day."

Mrs. SARAH F. COMBS, Auburn, Mass.

TYLER, TEXAS, March 29, 1894. The following explains itself: S. G. Warner, General Passenger Agent "Cotton Belt Route," is in receipt of the following letter, which shows that the ex-Confederate veterans attending the grand reunion at Birmingham, Alabama, via Memphis, in April, will be royally treated by the citizens of the "Queen City of the Mississippi."

Hall of the Confederate Historical Association, Bivouac No. 16, United Confederate Veterans No. 28, Memphis, Tenn., March 20, 1894: Mr. S. G. Warner, Tyler, Texas: Dear Sir—I have been hustling around for several days among the citizens and soldiers and have had a few conferences with Mr. Rector. We are certainly going to have the drill and will otherwise be able to make it entertaining to our western visitors who will chance to pass by en route to Birmingham.

The drill will take place some time during the day of April 23, 1894, so you can conform your literature to suit the occasion. The spring races take place at the same time and altogether it will be a gala day. Gen. John B. Gordon and staff, also Gen. W. H. Jackson and staff are invited to be with us.

Yours truly,

R. J. BLACK.

The drill spoken of is a competitive drill between a picked company of ex-Confederates and the celebrated Chickasaw Guards. Mr. Warner is also in receipt of a letter from Memphis stating that the entertainment of the Texas ex-Confederates will be participated in by the mayor and members of board of trade and cotton exchange. The great Memphis race meeting will also be on. Those leaving Texas on the morning of April 22d, or in time to reach Texas on that night, will arrive in Memphis on the morning of April 23d, and spend the day in Memphis, if desired, arriving in Birmingham 5:50 a. m., morning of April 24th in time to secure quarters before the rush. Tickets will be on sale April 22d and 23d, good for return thirty days from date of sale, lowest first-class fare for the round trip. S. G. WARNER, General Passenger Agent.
